

7 Easy Ways to Self-Massage with a Foam Roller

How to Roll each area up & down until you find a tender spot. Hold the spot for 30 seconds or longer to loosen any tight muscles.

Calves

Hamstrings -back of your legs

Glutes - work on one glute at a time

IT Band - out side of your thigh

Quads -front of your thigh.

Adductor - muscles of the inner thigh

Thoracic Spine - open up your arms
